WHAT MAKES US UNIQUE?

- **Peace in the heart of nature.** Away from the hustle and bustle of the city, surrounded by the Beaver Valley Landscape Park, we have created a place where time passes more slowly. 16 hectares of forests, meadows and rivers is a space where you can breathe fully and reconnect with nature.
- **Turquoise Offer.** Organizing unique events is our specialty. We do a variety of workshops, concerts, micro-festivals, themed events and sauna ceremonies. We strive to develop the awareness and creativity of our guests, inspire environmental and artistic activities. If you want to create an amazing event, the Island is the perfect place for it.
- **Unique atmosphere.** At Turquoise Island everyone can be themselves and feel at home. Coming to us you feel as if you are visiting long-lost friends. Topics for conversation never end. We love meeting new people!
- **Interiors different from the rest.** Plant frescoes on the walls, sky on the ceiling, colorful paintings, retro-style furniture, sculptures, handicrafts, travel souvenirs - such wonders you will find in our spaces. The whole creates an extraordinary atmosphere of interiors and surroundings. Our buildings date from 1771-1844.
